

Palin stole the show, Palin definitely stole the show in 2008. You know she came up there...

*Interviewer – What was it? What's the difference between a pit bull...*

Counts – And a hockey mom...lipstick. Yeah, and people went nuts. And she was on a roll. I mean they went into that convention, and this has been popularized on Game Change, you know the movie that just came out recently. But they went into that convention trailing Obama, significantly. And they came out of that weekend about up one point.
