

[19]68 – Wow! [19]68 is a different world. And when I mean a different world, it is the difference between going to your local boy scout carnival night and going to the Wrigley Brothers or the Apple Circus: I mean there was just no comparison. The players, we had the war, we had the anti-war movement - which was an absolutely volcanic upheaval with earthquakes supporting the flowing, scalding, lava. And the landscape, the political landscape, was being scorched.
